

项目文件结构

```
graph LR; Root[项目文件结构] --- Project[Project]; Root --- Assets[Assets]; Project --- HybridCLRData[HybridCLRData ≡]; Project --- Bundles[Bundles]; Project --- Sandbox[Sandbox]; Assets --- HotUpdateAssets[HotUpdateAssets]; Assets --- AOTScripts[AOTScripts];
```

A mind map diagram showing the project file structure. The central node is '项目文件结构' (Project File Structure) in a dark blue box. It branches into two main categories: 'Project' (red box) and 'Assets' (orange box). The 'Project' category further branches into 'HybridCLRData ≡', 'Bundles', and 'Sandbox'. The 'Assets' category further branches into 'HotUpdateAssets' and 'AOTScripts'.
